

Ethnicity and Race Data Collection Form

Each year, school districts in Washington are required to report student data by ethnicity and race categories to the State's Office of Superintendent of Public Instruction (OSPI). OSPI is required to report the total number of students in various categories in each school to the federal government, but it does not report individual student data. Recently, the federal government and OSPI changed the reporting categories for student ethnic and race data. As a result of the new reporting categories, we are required to ask you to identify your child as either Hispanic/Latino or not Hispanic/Latino (Question 1) **and** by one or more racial groups (Question 2).
