

Dear Parent/Guardian/Head of Household:

Completing this survey can be beneficial to some students. Students attending iGrad may be eligible for additional assistance with tuition, test fees, the cost of books and transportation if their household is eligible for free or reduced meals. To determine if a household is eligible, the head of household completes this alternate income survey form designed to collect community household economic information. This Family Income Survey provides iGrad a way to verify if a household qualifies for free and reduced meals. Households that do qualify, this provides access to students to receive additional services, if needed. Please complete and return this form to the iGrad office within 5 days of enrolling. **PLEASE NOTE: DO NOT COMPLETE THIS SURVEY if you have received a letter stating your student is directly certified and qualifies for free or reduced meals or if the household has already submitted a free or reduced meal application form for 2017-18.**
